DISABILITY SUPPORT POLICY

Document ID: POL-DS-2024 Last Updated: February 2024

1. Policy Statement

The University of Excellence is committed to providing equal access to education for students with disabilities.

This policy aligns with the Equality Act 2010, which requires institutions to make reasonable adjustments.

Disability includes physical impairments, sensory impairments, specific learning difficulties, mental health conditions, and long-term

2. Registering with Disability Services

Students with disabilities are encouraged to register with the Disability Support Office (DSO) as early as possible.

Registration requires submission of appropriate medical or diagnostic evidence from a qualified professional.

The DSO will assess the student's needs and develop a Personal Learning Support Plan (PLSP).

Information shared with the DSO is confidential and will not be disclosed without the student's consent.

3. Reasonable Adjustments

Adjustments may include: extra time in exams, alternative format materials, note-taking support, assistive software, and accessi

All adjustments are determined on a case-by-case basis and reviewed annually.

Students must request adjustments at least 4 weeks before the start of examinations to allow for planning.

The university will not disadvantage a student due to their disability and will make all reasonable efforts to accommodate their ne

4. Assistive Technology

The university provides assistive software including screen readers, speech-to-text tools, and mind-mapping software.

Accessible computer workstations are available in the library and all computer labs.

Students may request training on assistive technology through the DSO.

5. Complaints

If a student is dissatisfied with the support provided, they may raise a concern with the DSO.

If unresolved, the university's formal complaints procedure will apply.
